## Subject: State Data server

**Site Name**: Website of KASEZ
**Purpose of the Web Site:** Information related to KASEZ
**Audit Performed on Temporary URL:** http://kala.co.in/ks2/
**Production URL**: kasez.gov.in

**Audit Done On:** Production Server
**Dynamic File Type:** PHP
**Conclusion:** The application http://kala.co.in/ks2/ is free from any severe vulnerability/ threat and safe to carry out transaction.

**Recommendation:**

1. Site may be hosted with the privileges of read for the general public.
2. Site need some server level hardening while hosting on production server or live server (web server banner information should be removed; forbidden resource should be removed).
