It has been noticed that EOUs are requesting this office for addition of raw materials and other inputs in terms of para 6.01(d) of FTP, 2015-2020 routinely.

In this connection, it is requested that before submitting any request for addition of raw materials and other inputs for the exempted goods covered under Legal Undertaking, the units may first check whether the proposed items (raw materials/consumables etc.) are permissible in the norms fixed for their export product(s) and if the proposed items is a new item (input) then they will have to apply for revised norms.

Hence forth the EOU units may submit their request for addition of raw materials and other inputs in terms of para 6.01(d) of FTP, 2015-2020 with relevant input norms fixed and if the proposed items are new inputs then the same can be submitted after re-fixing of revised adhoc norms/norms by this office. For capital goods, etc. also, a brief justification may be furnished.
