F. No. KASEZ/P&C/PN/2013-14/9627

Date: 06-12-2013

**PUBLIC NOTICE No. 01/2013**

१९

Subject: Declaration of Details of inputs in the Bills of Export filed under Advance Authorisation/DFIA Scheme-reg.

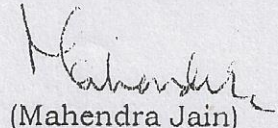

Attention is invited to Notification No. 31(RE-2013)/2009-14 dated 01.08.20013 issued by DGFT vide which the DGFT has made an amendment in the Foreign Trade Policy, 2009-14 by inserting a new para No. 4.1.15 after the para No. 4.1.14. The said Para no. 4.1.15 stipulates that -

“Wherever SION permits use of either (a) a generic input or (b) alternative inputs, unless the name of the specific input(s) [which has/have been used in, manufacturing the export product] gets indicated / endorsed in the relevant Shipping Bill and these inputs, so endorsed, match the description in the relevant Bill of Entry, the concerned Authorisation will not be redeemed. In other words, the name/description of the input used (or to be used) in the Authorisation must match exactly the name/description endorsed in the Shipping Bill. At the time of discharge of export obligation (EODC) or at the time of redemption, RA shall allow only those inputs which have been specifically indicated in the Shipping Bill.”

In view of the said provision of policy para No. 4.1.15, all SEZ Units/Developers/EOUs/Exporters etc are hereby requested to ensure that all the Bills of Export filed under Advance Authorisation/DFIA Scheme should indicate the specific (not generic) name / description of all the inputs used in manufacturing of the goods presented for Export.

Further, it is directed that till the modification of on-line module of SEZ-online for filing of Bills of Export, all concerned, while assessing the Bills of Export should also put their dated signature on the body of the relevant Invoice(s), attached with the Bills of Export, as a token to have been verified the specific name/description of all the inputs used in the manufacturing of the goods presented for export.

Any difficulty in this regard may be brought to the notice of undersigned.
