### **130.1 NEW UNIT APPLICATION**

#### **AGENDA ITEM NO. 130.1.1**

**Application for setting up of a unit in KASEZ namely M/s Ansa Polymers Limited, SSI -58, G. T. Karnal Road, Industrial Area, New Delhi - 110033**

Their proposal is for setting up a unit for manufacturing of Plastic Powder in Kandla SEZ, Gandhidham.

Shri. Rakesh Bansal, Director of the company appeared before the Approval Committee and explained their proposal.

Shri Bansal stated that they are already having a unit in KASEZ for recycling of plastic waste & scrap and now they want to set up a new pulverizing unit or manufacturing of plastic powder and the finished goods will be 100% exported. Their main raw materials will be agglomerates and granules (freely importable item) and they will export their finished products to Africa and Bangladesh.

On being asked that a plastic recycling unit of the said firm is already functional and whose functioning and performance is regulated separately which amongst other conditions has a specific physical export condition and therefore there is a possibility of mixing of data of both these units, Shri Bansal stated that he will change the name of the proposed new unit.

The Committee also noted that the proposed raw materials includes plastic lumps which was excluded in the approved list of trading in respect of one of the unit approved in 128<sup>th</sup> UAC meeting. Shri Bansal claimed that such item is being freely imported from various ports of the country and requested to allow the plastic lumps as one of their raw material. The Committee directed O/o. DC, KASEZ to study and examine the claim of the unit and put up report in this regard in the next UAC meeting.

Therefore, the Committee after due deliberation decided to approve the proposal subject to standard terms and conditions with the condition that till a decision is taken with regard to allowing import of plastic lumps as a raw material, the unit shall not be permitted to import the said raw material and also further directed the DC office to issue Letter of Approval only on receipt of request of change in name of the proposed unit.

**AGENDA ITEM NO. 130.1.2**

**M/s Ankita Overseas, 322 DLF Towers, Shivaji Marg, Moti Nagar, New Delhi - 110015 has filed an application dated 12.04.2018 for setting up a trading unit at KASEZ.**

Their proposal is for setting up a trading unit for Pan Masala, Supari, etc. in Kandla SEZ, Gandhidham.

Shri. Rupesh Ranjan, Manager of the firm appeared before the Approval Committee and stated that proprietor of the firm Shri Anil Kumar is not well and he has been authorised to appear.

Shri Ranjan stated that they are doing trading of Pan Masala, etc. on behalf of other companies such as Pan Parag and exporting the same. He further stated that they have made exports of about Rs. 20 crores last year. He however further stated that he was suddenly asked to rush and to attend the Committee meeting and he is not fully versed with the present proposal and therefore expressed his inability to explain the proposal in detail.

Therefore, the Committee after due deliberation decided to defer the proposal and directed the applicant to ask the Promoter to appear before the next UAC meeting for discussion of their proposal.

**AGENDA ITEM NO. 130.1.3**

**Application for setting up of a unit in KASEZ namely M/s. Parekh Bulk Pack, 7/B, Sumatinagar Society, Nr. Sindhi High School, Usmanpura, Ahmedabad - 380 013.**

Their proposal is for setting up a manufacturing unit of FIBC PP Woven Bags Sacks/Jumbo Bags, PP Woven Sacks Small Bags, LLDPE Liner and Filler Cord.

Shri. Pritesh Parekh, Representative of the firm appeared before the Approval Committee and explained their proposal.

Shri Parekh stated that they are already in the business for FIBC jumbo bags and already having a unit in KASEZ in the name of M/s. Oswal Extrusion Ltd. and an EOU at Ratanpur, Santej near Ahmedabad as M/s. Oswal Extrusion Ltd. (Unit-II). Now to expand their business they want to set up a new unit in KASEZ.

Minutes of the 130<sup>th</sup> Unit Approval Committee Meeting of Kandla SEZ held on 14.06.2018 at 11:30 hrs. under the Chairmanship of Shri Upendra Vasishth, Development Commissioner, Kandla Special Economic Zone.

---

The Approval Committee after due deliberation approved the proposal subject to standard terms and conditions.

**AGENDA ITEM NO. 130.1.4**

**Application for setting up of a unit in KASEZ namely M/s. S. S. White Technologies India Pvt. Ltd., Survey No. 2788/3, Near Krishna Petrol Pump, Wadhwan Ahmedabad Highway, Wadhwan, Surendranagar – 363 030.**

Their proposal is for setting up a manufacturing unit of Flexible Shaft for automotive seat tracks, Semi-finished surgical tooling components and Fittings for flex assembly.

Shri. Mitul Patel, Manager of the company appeared before the Approval Committee and explained their proposal.

Shri Patel stated that they are already in the business for flexible shaft for automotive industries and having its unit at Surendranagar and last year they have made exports of Rs. 26 crores. They supply their finished products to their parent company in USA. They want to set up a new unit for manufacturing in KASEZ as there are two major ports viz. Kandla and Mundra ports and it will be easy to export their products from KASEZ. They will make 100% exports of their products.

The Approval Committee after due deliberation approved the proposal subject to standard terms and conditions.

**130.2 REQUEST FOR BROADBANDING**

**AGENDA ITEM NO. 130.2.1**

**Request for broad banding of SS Round Bar and Nickle Round Bar in their existing Letter of Approval/Permission No. KASEZ/IA/18/2016-17 dated 18.01.2017 of M/s Tubacex India Pvt. Limited, KASEZ.**

M/s Tubacex India Pvt. Limited, Unit No. 208, Vrindavan SDF Complex, Phase-II, Kandla Special Economic Zone, Gandhidham is an approved unit for Trading activity of Stainless Steel Tubes, Stainless Steel Pipes and Stainless Steel Fittings vide Letter of Approval No. KASEZ/IA/18/2016-17 dated 18.01.2017 amended/extended from time to

time. They commenced their authorized activities w.e.f 27.05.2017 and their LoA is valid up to 26.05.2022.

The said unit has now requested for broad banding of following items in their existing Letter of Approval for trading activity.

Sl. No.	Item	ITC-HS Code
01.	SS Round Bar	7222 3019, 7222 2091
02.	Nickle Round Bar	7222 2092, 7505 1110, 7505 1210, 7505 1220

Shri. Hiren Raygagla, Manager of the company appeared before the Approval Committee and explained their proposal.

Shri Raygagla stated that they are an approved unit for pipes and tubes for trading and now they want to add round bars in their existing LoA. They export their traded goods to oil and gas companies in Middle East.

The Approval Committee after due deliberation decided to approve the broad-banding of trading activity of above items in their existing LoA.

**AGENDA ITEM NO. 130.2.2**

**Request of M/s. Oswal Polymers, KASEZ for additional manufacturing activity in their existing Letter of Approval.**

M/s. Oswal Polymers, KASEZ is engaged in the manufacturing activity of recycling of plastic scrap/waste into plastic granules, agglomerates, Flakes, Pallets, Bars, Powder and other Plastic items in terms of LoA No. KASEZ/IA/1704(A)/97/10736 dated 06.02.1998 as amended/extended from time to time.

Now, the unit has requested for addition of following manufacturing activity in their existing LoA: -

Sl. No.	Item	ITC (HS) Code	Capacity in MT
1.	PP Jumbo Bags/FIBC, PP/HDPE/Woven Fabrics Laminated/Unlaminated	3923 2990	5000
2.	Plastic Garbage Bags	3923 2100	3000

Minutes of the 130<sup>th</sup> Unit Approval Committee Meeting of Kandla SEZ held on 14.06.2018 at 11:30 hrs. under the Chairmanship of Shri Upendra Vasishth, Development Commissioner, Kandla Special Economic Zone.

3.	PE/PP Tarpauline/Plastic Sheet	3926 9080	3000
----	--------------------------------	-----------	------

Shri. Pritesh Parekh, Director of the company appeared before the Approval Committee and explained their proposal.

The Committee noted that the unit is an existing recycling unit of plastic waste & scrap and that there is a separate guidelines of the Ministry for regulation and functioning of such units which amongst other includes the condition of physical export obligation of 35% of the total turnover of the unit in addition to achieving positive NFE under Rule 53 of the SEZ Rules, 2006. The Committee also noted that there is specific condition in the said Ministry's guidelines dated 17.09.2013 that – condition No. 3(ix) – No broad-banding of unrelated products shall be allowed and also in terms of condition No. 25 of renewal LoA, there activity is restricted to reprocessing of plastic waste and scrap.

The Committee further noted that two of the proposed items PP Jumbo Bags/FIBC and PP Tarpaulins requires raw materials of about 60% of imported PP granules which are not the reprocessed item out of their authorised activity and which in turn will constitute the major component cost of their final products to be exported and that this will have a significant dilution with regard to their meeting the condition of export obligation. The Committee however noted that the proposed items are forward integration and not unrelated product.

The Committee after due deliberation approved the broad-banding of Plastic Garbage Bags and PE Tarpaulins which will be manufactured from their 100% in-house re-processed materials within their existing authorised operation and further decided to reject their request for PP Jumbo Bags/FIBC and PP Tarpaulins.

**AGENDA ITEM NO. 130.4.1**

**Application for setting up of a unit in KASEZ namely M/s. Sunrise Polymers, 501 DV house, Block 2, DV Colony, Minister Road, Secunderabad, Telangana, India, - 500003.**

Their proposal is for setting up a manufacturing unit of Plastic Granules and Rotto Moulded Powder in Kandla SEZ, Gandhidham.

The Committee noted that their proposal was discussed in the 111<sup>th</sup> UAC meeting held on 22.03.2017 and the Approval Committee after due deliberation had decided to defer the proposal as plastic items involving raw material of reprocessed/recycled plastic items/sweeping granules which are very sensitive items and same needs further examination.

The Committee further studied the study report submitted before the Committee and noted that the main raw materials are plastic agglomerates, plastic grindings and plastic virgin granules (freely importable items) which the unit proposes to procure indigenously or intra-zone basis and no import of raw materials is envisaged and that proposal involves 100% physical export of the finished goods.

The Committee after due deliberation decided that this proposal is acceptable in-principle subject to receipt of antecedent verification regarding their claim of export being sought from the Commissioner of GST, Hyderabad.
