**96.2 Agenda for Broad Banding request in existing LoA**

**AGENDA- Item No.96.2.1 :-**

**Rekha Superfine**

M/s Rekha Superfine is an approved unit for manufacturing of furniture & Handicraft items and also for trading activity of different goods.

Their proposal is for broad banding of their LoA for Warehousing Service Activity. Shri. Sunil Kachhwaha, authorised representative, appeared before the UAC and explained their proposal. He informed that the Warehousing facility they sought is for their foreign clients and that they will not undertake any warehousing activity for units functioning in KASEZ. They don't need separate space for the activities they are proposing. The representative submitted proof of orders received by them from their foreign clients in this connection. Chairman asked JDC to ensure authenticity of orders submitted by the party. It was decided that after verification of authenticity, broad banding permission may be issued. It was also decided that the party should keep separate area demarcated for warehousing, manufacturing and trading activities.

**Ratification of requests already approved on File.**

The Committee ratified the broad banding proposals of M/s. Commodities Trading & M/s. Dipi Enterprises which were already approved on file by the Development Commissioner.

#### **96.4 Miscellaneous Issues.**

##### **Item 96.4.1:**

Request from M/s Amrit Plastochem Pvt. Ltd. is for taking note of cessation of Director. The Committee after due deliberation took note of cessation of one of its Director from the company. The Committee also noted that present Directors are Shri Amrit Vijaisingh Mehta and Shri Sushil Vijaisingh Mehta.

#### **96.5 Broad Banding request in existing LoA.**

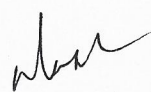

##### **96.5.1 M/s. Palmon Exports.**

The Unit's representative Shri Lahori mentioned about assembly of mobile phones from imported material and exporting the same. The unit furnished a list of items to be imported. In this regard he committed the following:

1. That they will be exporting all items assembled within 6 months of import of the spare parts.
2. That they will achieve positive NFE from the first year of their Commencement and would continue to achieve NFE throughout the year.
3. That if at all any supply in DTA is done, the same will be done against receipt of payment in Foreign Exchange only.

The Committee observed that the proposal did not have correct Tariff Headings of 3 items. After due deliberations and discussions, the Committee decided that party has to give detailed flowchart of manufacturing process of mobile from its parts, explaining the requirement of the products proposed to be imported. The Committee also decided that after receipt of above information, the proposal be further considered on file. The three wrong codes given are 851177010, 85287310 and 85727390. The Unit was asked to furnish correct code of the items. It was decided that after receipt of above information the case may be decided on file with the approval of Development Commissioner.

The meeting ended with vote of thanks of the chair.
