### **Trade Notice No.01/2019-20**

In order to reduce the dwell time of Cargo clearance, it has been decided by the Competent Authority that four wheel lanes of Customs Check Post(In & Out) to be designated as Green Channel and Online lane of Customs Check Post(In & Out) to be designated as Red Channel as a trade facilitation measure.

Therefore, all empty cargo vehicles entering/exiting KASEZ, shall be allowed from Green Channel(s) w.e.f. 01.01.2020 to avoid any traffic congestion and expediting cargo clearance.

This trade facilitation measure is trust-based relationship with units. However, in case of any violation, stringent penal action will be taken against the concerned unit.

This issues with approval of Development Commissioner, KASEZ, Gandhidham.
