

Minutes of the 7<sup>th</sup> (seventh) meeting of the **Approval Committee for Hi-tech Engineering – Special Economic Zone**, developed by M/s. Synefra Engineering & Construction Ltd., (formerly M/s. Suzlon Infrastructure Ltd.,) held on **14-09-2011**, at **1630 hours**, under the Chairmanship of **Shri Pravir Kumar, IAS, Development Commissioner, Kandla Special Economic Zone**, in the Conference Room of DC's Office, Dahej – SEZ, Ahmedabad.

---

List of Participants is annexed as Annexure-1.

**A) Other Proposal:-**

**07-A-01) Request of M/s. SE Forge Ltd., for broad-banding of their LOA:-**

Shri Jayesh Gandhi, AGM (Finance & Accounts), of the applicant company appeared before the Committee and explained their request for Broad-banding. The unit submitted that the said proposed activity of recycling of scrap & waste into raw material would result in foreign exchange savings, and also improve their NFE. The Committee noted that the proposal/request was for recycling scrap and waste generated during manufacturing process into "Iron & Steel Ingots of various sizes, steel moulds, top & bottom closures", for captive consumption for manufacture of approved items. The Committee was of the opinion that the recycling of scrap and waste generated during manufacturing process into Iron & Steel Ingots, etc. for captive consumption was an integral part of the manufacturing process only and could not be termed as Broad-banding and therefore did not require separate approval/clearance from this Committee.

The Committee therefore decided that in this case no separate approval for broad banding was required.

( Pravir Kumar )  
Chairman of Approval Committee,  
& Development Commissioner,  
Kandla Special Economic Zone.
