M/s. S E Forge Ltd., a unit in Synefra SEZ, was issued LOA no. Unit has now applied vide their letter dt.24/01/2012 for manufacturing new additional item (Bearings of all types, Slew bearing, Pitch bearing, Gear rim etc.), to be included as authorized operations.

The Committee observed that the new item was a related item to the existing manufacturing activity and was forward integration of their approved line of manufacturing. Therefore, the Committee approved the same as broad-banding of existing LOA, to include the additional items i.e. "Bearing of all types, Slew Bearing, Pitch Bearings, Gear Rim", subject to standard terms and conditions of SEZ Rules, 2006, like execution of additional Bond-cum-LUT etc.
