3.	Total investment in Plant & Machinery	:	103.55 Lakhs
4.	Imported Raw materials, components etc.	:	00.00 Lakhs
5.	Other F.E. out go in Foreign Tour, Royalty etc	:	30.00 Lakhs
6.	Net foreign exchange earnings	:	12632.31 Lakhs

Comments and Recommendations:

The nature of the applicant firm is Proprietorship concern and promoter of the firm is Smt. Anita S. Desai. She started the business in the year 2002 and has vast experience.

As per the manufacturing process furnished by the applicant in the project report, for manufacture of insulated cables, the copper strands of required quantity for each size of conductor (cable) are bunched together mechanically. This gives the conductors required strength and flexibility. After that the bare conductors or bunched conductors (wires), are insulated with PVC of required color on the extrusion machine for insulation of the conductor or cable. After technical identification, meter mark and brand name etc. the cables are rolled/wrapped in drums, cardboard or metal drums as per the requirement.

The proposal meets with other requirements of approval under EOU Scheme under the Automatic Approval route. Therefore, the proposal is placed before UAC for consideration.

Agenda Item for approval under Automatic Approval Scheme.
