12/11/17

6. Joint Development Commissioner, Kandla SEZ mentioned that many of EOUs don't have Input-Output norms duly ratified by a Norms Committee (NC) in DGFT which is necessary if their products that are not covered under SION or if wastage is not less than 2% (in terms of value & quantity both). Such units should make serious efforts to get input-output norms fixed/ratified from Norms Committee concerned in DGFT; continuation of ad-hoc permission from DC' Office will not suffice and ultimately norms are to be fixed by NC concerned. He requested representative of Central Excise also to look into this aspect, as central excise has day to day interaction with the units.

The meeting ended with a vote of thanks to all.
