5. Joint Development Commissioner, Kandla SEZ mentioned that many of EOUs does not have Input-Output norms duly ratified by a Norms Committee (NC) in DGFT which is necessary if their products that are not covered under SION or if wastage is not less than 2% (in terms of quantity of each item). Such units should make serious efforts to get input-output norms fixed/ratified from Norms Committee concerned in DGFT; continuation of ad-hoc permission from DC' Office will not suffice and ultimately norms are to be fixed by NC concerned. He requested to the representatives of Central Excise to look into this aspect as central excise has day to day interaction with them.

The meeting ended with a vote of thanks to all.
