**(a) Bharuch Commissionerate (Now Vadodara-II Commissionerate)**

The Monitoring Committee monitored NFE Status of the units for the year 2016-17 and it was noted that at present there are 17 working units and all the units have achieved positive NFE.

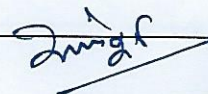

The committee also noted that following EOUs had foreign exchange unrealized as on 31.03.2017 beyond permissible period. It was informed by JDC (i/c) that SCNs will be issued to the units concerned as per provision of para 2.54 of FTP 2015-2020.

| Sr. No. | Name of Unit                |
|---------|-----------------------------|
| 1.      | M/s. ATC Tires Pvt. Ltd.    |
| 2.      | M/s. Meghmani Organics Ltd. |
| 3.      | M/s. SPC Life Science       |

The Committee also noted that M/s. Meghmani Organics Ltd. has been exited from 100% EOU scheme and M/s. SPC Life Science, which has applied for De-bonding.

Shri Mangesh, representative of M/s. Galaxy Surfactance has attended the meeting and informed that they had also applied for de-bonding but due to GST they have kept on hold now they have started process for de-bonding.

Jt. Development Commissioner(i/c) KASEZ mentioned that before de-bonding their Input output Norms should be ratified by the concerned Norms Committee, DGFT and foreign exchange should be realized within permissible period.

Joint Development Commissioner(i/c), Kandla SEZ mentioned that many of EOUs don't have Input-Output norms duly ratified by a Norms Committee (NC) in DGFT which is necessary if their products that are not covered under SION or if wastage is not less than 2% ( in terms of value & quantity both). Such units should make serious efforts to get input-output norms fixed/ratified from Norms Committee concerned in DGFT; continuation of ad-hoc permission from DC' Office will not suffice and ultimately norms are to be fixed by NC concerned. He requested representative of Central Excise also to look into this aspect, as central excise has day to day interaction with the units

The meeting ended with a vote of thanks to all.
