Shri Balakrishnan, Manager of M/s. Radium Creation Ltd. and Shri Mahendra B., Comm. Manager of M/s. Billets Electro Werke Pvt. Ltd. has informed that there is a problem for making payment of duty. They have to deposit money through challan at SURAT, which is far away from their office and very time consuming.

The Jt. Development Commissioner(i/c) requested them to make a reference to office of the Development Commissioner, KASEZS so the issue could be properly examined in consultation with Central Excise Authority and if required the issue may pursue with higher authority.

Joint Development Commissioner(i/c), Kandla SEZ mentioned that many of EOUs don't have Input-Output norms duly ratified by a Norms Committee (NC) in DGFT which is necessary if their products that are not covered under SION or if wastage is not less than 2% ( in terms of value & quantity both). Such units should make serious efforts to get input-output norms fixed/ratified from Norms Committee concerned in DGFT; continuation of ad-hoc permission from DC' Office will not suffice and ultimately norms are to be fixed by NC concerned. He requested representative of Central Excise also to look into this aspect, as central excise has day to day interaction with the units.

The meeting ended with a vote of thanks to all.
